

BOWEL CANCER

'PATIENTS AND RELATIVES PROGRAMME'

Friday 20th November 2015

The Strand Campus
King's College London
London, WC2R 2LS

Would you like to know about bowel cancer?

Do you have a relative with bowel cancer?

Have you had bowel cancer and would like to understand more about this disease?

Would you like to meet bowel cancer experts and openly ask them questions about this problem?

If you would like to know more why not join us on the 20th November 2015. This forum will be run in conjunction with the charity organization 'Beating Bowel Cancer'.
